Re: Follow up to June 16, 2015 Meeting

Dear Administrator Blumenfeld:

I am writing to follow up on my June 16, 2015 meeting with Ms. Ellen Gilinsky, EPA Senior Policy Advisor, and Mr. Clay Miller, EPA Office of Wetlands, Oceans and Watersheds.

During our June meeting, Ms. Gilinsky and Mr. Miller advised that I should request a follow up meeting with you in the fall to provide an update on the Rosemont project and to discuss any areas of interest to the EPA.

We remain eager to work with the regulatory agencies to ensure that all the permitting requirements are met as efficiently as possible. I look forward to the opportunity to meet with you at your earliest convenience.

Best regards,
